MEMORANDUM FOR: Comptroller

FROM: Harry E. Fitzwater
Deputy Director for Administration

SUBJECT: Request to Reprogram Funds to the Secure Voice
Program - FY1983

Permission is requested to reprogram \$250,000 from the Metropolitan Distribution System to the Headquarters Secure Telephone Service in the Office of Communications Recapitalization Program. This change is for essential software enhancements to the Headquarters Secure Telephone Service. FY1982 funds were budgeted for this purpose, and contractual action was initiated in the fourth quarter of FY1982, but the funds could not be legally obligated because a contract was not signed during FY1982.
